Our Create-a-Class and Create-a-Clinic programs are some of our most popular. These programs provide an intimate, customized sports or other program for your family, friends and teammates. Sit back and relax as the kids enjoy a great summer of sporting fun in a small, controlled, safe, Create-a-Clinic environment.

- You pick the time that works best for your group; you pick the sports or activities you want; you get a dedicated coach; you control who can register
- Perfect for classmates, relatives, teammates, and very appropriate for the summer
- Small group sizes - minimum of 7
- Access to our massive full-sided outdoor and indoor turf fields
- Clinic or Class: Once per week, once per day or any other schedule you desire!
- Online registration links minimizes your involvement or effort - we do all the work, you just send the link to the folks who want to join!
- Give us a call at (201) 444-7660 or email us at info@superdomesports.com as Create-a-Clinic remaining slots are limited!
