Top training at North Jersey's leading Soccer Complex

The Superdome Soccer Academy runs from Fall through Winter through the end of the School year in June. It is a ten (10) month soccer training program though you can elect to do less. The Soccer Academy offers top training and great match play. Players receive up to three (3) sessions each week throughout the year. The Superdome utilizes top quality professional trainers experienced in developing players of all skill levels and instill a love of the game in your child.

Players in the Superdome Soccer Academy receive the following:

- Two (2) training sessions of your choice each week from our range clinics and classes. Players can try any of our classes or clinics, and can switch classes at any time;
- Weekly Street Soccer (open match play) – Street soccer is considered one of the most important components of a well developed player, allowing kids to “just play” and showcase their training in a less structured environment.
- Agility and speed work.
- Audio visual and character building workshops.
- Festival events.
- Training t-shirts.
- A nearly 50% discount compared signing up for these classes and clinics individually.

The Superdome Soccer Academy is a comprehensive training program which will not conflict with a student's travel or club team. Many of our best students are involved in local travel teams and utilize the Soccer Academy to supplement their training.
